Principal's Message

What is a victory? Same would say it is accomplishment over competition, while others would state that victory is winning recognition in the completion of set goals or standards. Fortunately, we usually think of victory as something that is good and worthwhile. There could be a performance or a performer that is evil yet victorious. We conclude that it is important to have victory that is glorious.

The motto aver our stadium brings aut clearly the one victary we at George Washington should attain and the ane that wauld be glorious. Conquering self is a constant battle and requires determination, persistence, and faithful diligence. We trust you graduates, as yau leave us, have been taught the victory through the control of self. Caoperation, unselfishness and gaod-will will result if you have learned that important lesson. O. I. SCHMAELZLE, Principal

Head Counselor's Message

Each responsibility which yau graduating seniors have successfully met during your past three years has formed a link in a chain which has strengthened your character and prepared you far future service. As you have learned to conquer yourself you have better prepared yourself ta serve your family, your fellow students and your community. Whether you go on to college or to work, may the best be yours in all that you da. E. PARSONS

Boys' Assistant Principal

Congratulations, graduates of the January class and of the June class of 1955! Three years ago you enrolled at George Washington High School. You came from many schools and from many neighborhoods. You were thrilled to come to a new school and you were awed by the size of it. As the months passed you became a part of the busy life stream that passed in and out of your school. You made many friends, you went to many games and dances, you participated in school activities, and you attended thirty or more classes in preparation for your future. Now you are saying goodbye to all these experiences. I am sure you will never forget your three years at the Big School on the Hill.

Wherever you go and whatever you do you will find opportunities. Are you prepared to take advantage of them? Nothing is so frustrating as to find an apparent place for yourself in the scheme of things and then realize that you are unprepared for it.

My message today is for you to continue to prepare for better things tomorrow. My best wishes to you all for a bright and happy future.

J. A. PERINO

Girls' Assistant Principal

Let me live in my house by the side of the road,
It's here the race of men go by—
They are good, they are bad, they are weak,
they are strong,
Wise, foolish—so am I;

Then, why should I sit in the scorner's seat,
Or hurl the cynic's ban?
Let me live in my house by the side of the road
And be a friend to man.

—Sam Walter Foss

That is the way I wish the girls in our school might come to think of my office—a place to bring your problems, your successes, your failures with assurance of finding understanding, fair dealing and friendship.

It is always a source of regret on the part of a dean that she is able to know so few students well. It is my wish that the girls of George Washington might not just pass by but might linger, and that they might come to think of the dean's office as a "house by the side of the road" where the door is always open and a friend may be found whenever needed. Bob Pholen executed his duties as President with a spirit and determination that the whole student body felt. He achieved the impossible and did a wonderful job!

Pam Havner had all the charm and ability of post veeps, and to this she added an originality and talent for decoration that made her dances doubly exciting.

Ken Mott kept student government running smoothly and helped make the May Festival such a big success.

Portia Goldkind was one of the liveliest secretaries we've ever had. "Porky" worked hard but always managed to keep everyone laughing.

Treasurer Jules Routbort barely missed breaking the student body card drive record of two days, and did a fabulous job of organizing the May Festival.

Freddie Hicks always seemed to be doing the dirty, hard jobs besides his duties as custodian.

Kirby Griffin kept up the interest in Spring Sports and worked hard to give good broadcasts and sell tickets.

Phillip Chang was a small yell leader, but the spirit he kept up in the rooters was tremendous.

Girls' Service Society

The Girls' Service Society is one of George Washington's oldest organizations. The members have done much to maintain the high standards of the school. By sponsoring and promoting the Ten Point Code, a code of ethics, the service society has gradually made the entire student body aware of its responsibilities. The girls are elected into the organization on the basis of service, scholarship, citizenship and recommendations of teachers. The G.S.S. is on duty and serving at a large number of school functions during the school year. The advisor is Miss Green.

Eagle Society

The Eagle Society was also organized when the school opened in 1936. Two types of members compose this service society. Elected boy officers of the school are automatic members. In addition, 12 other members are elected from the student body. The organization serves the school in many ways by maintaining order at activities, sports activities and rallies and in any other way desired by teachers or the administration. Mr. Perino is the sponsor.

Executive Council

There must be a legislative body in every democratic organizatian. In the democracy of George Washington High School the Executive Council is that legislative group which makes our policies.

It is campased af class officers, student body officers, and elected members fram each class. The Executive Cauncil meets at various specified times during the term to discuss the issues of the school.

The Executive Council has many important duties. Some of these are: appartioning school funds; the passing of by-laws to supplement our Constitution; granting awards and hanors in the name of the student body; and taking up all matters which affect the student body ar the school.

This group is presided over by the President of the student body, and is advised by Miss Helen Archer, the faculty spansor. The council spotlights a wonderful form of democratic student gavernment.

Fall Class History

The graduating class of Fall 1954 will long be remembered here at George Washington High School. This class was small in number, as most Fall graduating classes are, but it made up for its smallness in number by its many fine contributions to our high school.

As low 10's, after learning what was where in this big school, they quickly settled down to business. Their first project was beautifying the school by planting shrubbery. This project was a huge success, which was a great inspiration to these "little sophomores." As high 10's they dreamed of pointing the goal posts in our football stadium. Finally, as low 11's, this dream came true. Each semester the high 11 class project is to send copies of the Eagle to ex-Washingtonians in the armed forces overseas. Naturally, this proved to be another most successful project.

Bab Gassin shakes the hand of the new president, Bab Phalen.

Junior Day took more than a year's planning. Finally, we all got to see Davey Jones' Locker, a junior day show that praved to be well worth their long hours of work and much used energy. The next night they were allowed to test their ability at sponsoring a dance—A Nautical Night. This, like the show, was enjoyed by all. Then came their Junior Prom, Autumn Nocturne. Everybady showed up looking their best and of course, a wonderful time was had by all.

Danise Blue and Bob Gossin happily accept the Cummings Cup.

At last came their high senior term. This class was the first to present a senior day with a split-rally. After cutting the show down to the maximum length, we were finally able ta see their Senior Day show. This was called Calor Incarporated and was followed the next night by Colorful Capers, their Seniar Day Dance. All too soon it was January, which meant one af the most memorable nights during their almost completed three years here at Washingtan. Yes, it was time for their Senior Prom, Till Then. An outstanding feature of this night was the summertime white which was warn by almost all of the boys.

Commencement exercises were held in our own auditorium here at George Washingtan High Schaol on the evening of January 27, 1955.

None of these projects, nor activities, would have been anywhere near successful without Mr. Allen Tarlakson, the hard working sponsor of this class of Fall 1954. His guidance was invaluable.

Rich Millikan leads his class in the school hymn at the Senior Breakfast.

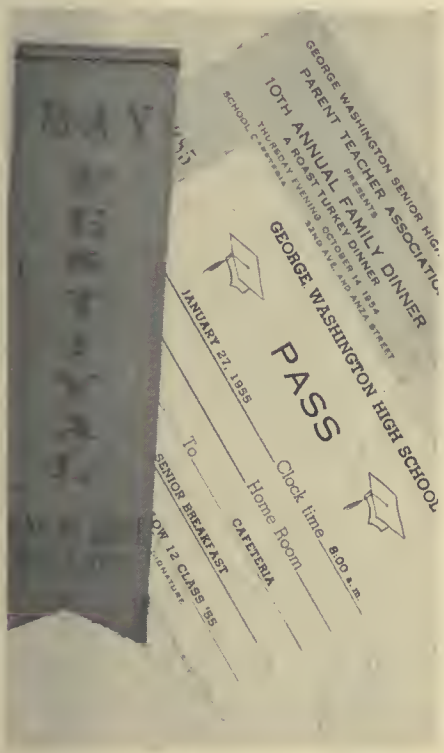
FALL SENIOR DAY

Spring Class History

The day was bright and so were the faces of some 500 students as they looked at Washington for the first time. But the size of the school didn't scare them. Mr. Schwab's direction along with the Spring Class of 1955 brought many joys and honors to their school.

As Low Sophomores the class collected all the dimes, nickels, and pennies they could in order to buy shrubs and flowers for the school grounds. They were determined to make their first project a success and did. The following semester as High Sophomores found the class eagerly collecting magazines and donations for Fort Miley Hospital. Their efforts were appreciated and rewarded by the servicemen.

Tam Barras, elected Senior King, stands with Dixie Capparos, Saph Queen.



As High Sophomores, the winning booth; Low Seniors, P.T.A. Dinner and Senior Breakfast.

Then again, as always, the Low Junior Class come through on top by gathering names of servicemen and sending them Eagles. They brought many boys closer to home with their project. Junior Day . . . the show they worked so hard to present was received warmly by the whole school. The dance that night, "Flapper Daze," was like no other dance before. A Marathon dance was held and enjoyed by all.

The Low Seniors seemed to reach their goal as they broke the record collecting 1,050 PTA memberships. The girls of the class also presented the graduating high seniors with a memorable last breakfast at Washington. Their real triumph came as High Seniors. They presented one of the best Senior Days, "The Stage," ever seen, and their dance filled them with pride. Their Senior Prom brought the class together for one of their last meetings. Then the peak of their years came on June 14, 1955, at George Washington High School, as they were handed their diplomas with a smile of encouragement to send them on into the future.

Director Bob Grant with Assistants Stephanie Kappe and Joan Harrison pull Senior Day together.

High Senior Class Officers see their class through to graduation.

With Washington picked for the cellar in pre-season predictions, things didn't appear taa bright for the Eagles.

In the AAA Foatball Pageant, the Eagles were defeated by a highly rated Balbaa eleven. Ron McPhersan tallied the anly score for the Eagles.

In their first game of the regular season, the Eagles pulled an upset aver Sacred Heart. Quarterback Jahn Panagakis threw the two tauchdown passes ta ends Ford Joy and Ran McPherson. The other score was a quick through the middle by fullback Denny Cannell. The game ball was awarded ta John Panagakis.

In the second game the Eagles were heavy underdags ta Balboa. Washingtan pulled their second upset by beating the Bucs. The difference in this game was the sharp passing and vicious tackling of 132 lb. quarterback Jimmy Sochar, who was awarded the game ball. The touchdowns were scored by Bob Arterberry and Denny Connell.

When the Galileo game rolled around, Washington was finally picked as the favorite. In this game the scarers were Tam McDonald, Denny Connell, Ford Joy, and Jahn Panagakis. Bill Garrick kicked all the extra points. Carl Mitchell was given the game ball.

In the Bell Game with Lincoln it was clase far the first three quarters, but Lincoln's pass defense was too much for Washingtan. The Eagles were held scoreless.

The next week the Eagles were defeated by one paint. A single S. I. conversian made the difference. Scoring for Washington were Bill Garrick, Sid Shired, and John Panagakis.

After lasing two straight, Washington's playoff hopes were quite dim. But the Eagles pulled another upset by defeating Mission. Ford Joy scored, and Bob Arterberry was awarded the game ball.

On Poly's visit to the Washington Mud Bowl, they were almost upset by the Eagles. Both teams went scoreless until the last two minutes. Then Poly scored and the game ended. Sid Shired got the game ball.

Washingtan was victorious over Lawell in their final game, and made the playoffs. Fard Joy tallied for the Eagles. Bill Wolitarsky was awarded the game ball.

In the semi-finals, Washington played Lincoln, and was again defeated, thus ending the most successful season in years.

Junior Football

Far the past several years the Gearge Washingtan Juniar Varsity faatball team has been a tap team. This year's squad was na exceptian. They waund up the seasan in a three-way tie far secand place.

The Eaglets started the seasan aff with successive wins aver Balbaa, Galilea and Lincaln. The victaries were nat spectacular, but nevertheless they were wins.

The game with Balbaa was a well played and hard faught cantest with the Eagles caming aut an tap. Washingtan had na difficulty with the Lians. Galilea had barely assembled a team.

The Lincaln game was a revenge cantest. If yau remember the Varsity game yau'll knaw why. The Eaglets gat their revenge.

The J.V.'s met defeat when they played St. Ignatius. They last again ta Missian, but then came an strang ta beat Paly, Lawell, and Sacred Heart. During the seasan the mast autstanding players were Jeffersan, McGee, Walfe, Simmersan and Page.

SOPHOMORE TEAM

The Saphamare Team was just arganized last year. Its purpase is ta give saphamare bays a chance ta play wha haven't the ability ta make the Juniar Varsity.

The team, under the driving supervisian af Mr. Lubermersky, was very successful, winning all their games. Althaugh the city may pravide a league far the Eaglets, they did nat have scheduled games, casequently they had ta find their awn appanents.

The caaches are planning ta mave Bausquet, Carlsan, and Reidel ta the mare experienced Juniar Varsity squad next year.

Soccer Season

Soccer, the sport that is thought by some students as just something to watch and joke about early in the morning, has become for the first time since 1949 a talked about game. Why? Because Washington turned out the first championship team in five years. This year's soccer team also turned out two All-City players in the persons of Paul Mertens and Bruna Cantini. Mertens broke the all time scoring record, and Cantini was an exchange student from Italy.

The first team, consisting of center forward, Paul Mertens; left inside, Bob Papara; right inside, Boris Perieff; left wing, Ed Egert; right wing, Larry Frigillana; center half, Jules Rautbart; left halfback, Larry Smith; right halfback, Serge Burenin; left fullback, Richard Robinsan; right fullback, Paul Petrenka; and goal keeper, Bruno Cantini, worked as a closely knit unit all season.

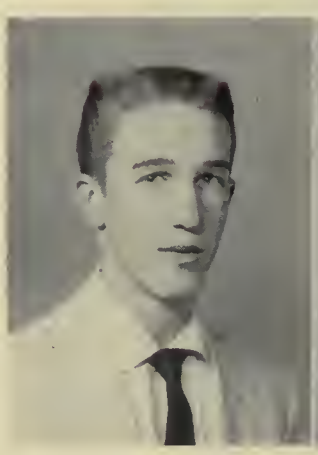
The Eagles opened the season by trouncing Lowell. The next game was against Paly. The Eagles played this one to a tie. Mertens and Papara scored the two goals.

The Eagles next met the defending champions from Mission High. This game as a close one as only one goal was scored. Luckily, it was scored by the Eagles in the last two minutes of play.

Lincoln was the next in line to fall to defeat. Saint Ignotius never had a chance. The Eagles walloped the Cats. Another victory was scored by the Eagles over the Balboa team. Scoring the goals were Perieff, Egert and Papara. The Eagles ended the regular season with a win over a mediocre Galilea team.

Next came the semi-finals. In the first game, the Eagles met Lowell, and again the Indians lost. Fans held their breath when Washington dropped the first game of the finals to runner up Mission by a wide margin. But a bit of strategy in the second game paid off and after Larry Frigillana scored our first goal to tie up the game, Paul Mertens boated in a second point to clinch the game and the city crown.

All-City



MERTENS

CONTINI

Paul Mertens, voted Washington's Most Valuable Soccer Player of the Year, has had a lot of experience as a soccer player. This experience helped him to score 22 goals during season play and to be voted to the first string All-City soccer team.

It is not often that a high school has the pleasure of receiving a foreign exchange student who will go out for a sport. This term Bruna Cantini, from Italy, not only tried out for soccer, but played well enough to be recognized as All-City goal keeper.

Unlimited Basketball

This year's Eagle varsity basketball team finished in seventh place, even though they had a fairly successful season. Before the season started they beat St. Mary's and Capuchino. Both these teams finished first in their respective leagues. In regular league play they beat St. Ignatius, who finished first in the AAA and then went on to be the victors of the Tournament of Champions.

The Eagles gained valuable experience and will undoubtedly be very strong next year. With Jerry Mann, Mike Prusoff, Cleo Coefield, and Harvey Merriouns back for a whole year, and Stan Rosenberg for a half year, they must be rated as one of the best in the league. The only first team player to graduate is Ed White.

ED WHITE

Ed White, Eagle ace, was voted All-City forward for 1955.

This outstanding prep basketball player was sixth leading scorer and because of his ability on both offense and defense he received the Most Valuable Player Award for basketball.

The Eagles opened the season with a record breaking performance against John O'Connell. The Eagles cracked the AAA league record for the most points in a game. During the game Mr. Phelan cleared the bench, thus allowing everyone to play.

In their second game the Eagles were defeated by a very strong Mission team. The rebounding of Leroy Thomas and the second half shooting of Mission was too much for Washington. Ed White, Stan Rosenberg, and Bob Arterberry each scored seven points.

The next game was the Angelo Maestri Benefit Game against Lincoln. The Eagles held the highly touted Mustangs to a standoff in the first half, but Pfleuger's six straight points in the second half were too much for the Eagles.

In the Balboa game the Eagles led the whole game and won with ease. Ed White was again high point man with 12 points. The Eagles were definite underdogs against St. Ignatius. But Ed White, top defensive man, held sharpshooter LaCour, who had been averaging 21 points a game, to a mere four points. The winning points were scored by Harvey Merriouns in the last seconds.

After their surprising showing against S. I., Washington almost pulled their second upset in a row. But Lowell got five fast points in the last two minutes to send the Eagles to defeat.

In the last game of the season Washington was defeated by Sacred Heart. This was no ordinary defeat, for it took two overtime periods before the Eagles would go down.

130's Basketball

Gearge Woshington's 130's, lost year's chompions, almost won agoin this yeor. The Eogles lost four in regulor season ploy but came bock strang in the ploy-offs to beot favared Poly ond Lowell. This gove the Eagle team o chance for the ploy-aff chompionship if they could beot Lowell again. They came within one point of doing this.

Even though they didn't win the championship they were hustling all season. Mr. Phelon soid this was "ane of the best teams" he hod ever coached. He felt thot the team mode the mast from the moterial they hod.

Jim Sochar, Kelly Woterfield ond Kinya Matsuno were choices for All-City. Woterfield wos the leading scarer far the 130's; Sochar was second ond he olways seemed to get two points when needed; Motsuno was on outstonding rebaunder.

The 130's apened the seoson ogoinst weok John O'Connell. The Eagles goined an eorly leod and though substituting freely won by 20 points. George Georgeades wos high with 10 points.

The second game ogainst Mission was as eosy as their first, for ofter a quorter the Eogles pulled owoy ta win ogoin. Agoinst Poly, who were the favarites, Washington toak the league-leading 130's inta avertime befare a 30-faot field gool gove the Porrots o twa-point victory.

The Eogles had on easy time with Galileo, winning by 15 points. Waterfield ond Sochar led the scoring. Against Lincaln the Eogles made o good showing by coming on strong in the second holf to win by 19 points.

The Eagles last their next gome ogoinst St. Ignatius in the final seconds. A last second Eagle field gool attempt neorly pulled the game out af the fire. The team last their secand gome in o raw ta a strong Lowell teom. The 130's came fram behind in the last seconds to beot Balbaa and end a two-game lasing streok. Sachar scored a field gool in the closing minutes to give the Eogles o leod thot they never relinquished.

KINYA MATSUNO, JIM SOCHOR, KELLY WATERFIELD

The Eogles goined their playoff position by downing Socred Heort. Though moking the play-offs, Washingtan wosn't given much of o chance af beoting Poly. The Eogles came thraugh with hord playing ond won in o thrilling finish by twa paints.

In order ta toke the title, the Eagles hod to defeot the regular seasan's champs, Lawell, twice. The first gome was even oll the way but the Eagles come thraugh an tap.

The Eagle Galf Team went inta the spring e hi'bitian with 27 wins. In regular seasan play they praved they were gaing far the title again by winning the first three matches. The team beat Lawell by the slim margin af 4-3. They then dawned S. I. and Paly, 7-3 and 9-0.

The team is expertly caached by Mr. Wirth. The ten tap players in the A.A.A. were chasen ta play against the Stanfard Frash. Washingtan had three men playing. Due ta press deadline, the Surveyar was unable ta repart the complete seasan.

Cross Country

In the regular seasan raund-rabin the Eagles Crass Caunty team did nat fare taa well. But in the All-City Meet the team came thraugh taking secand place. One an the surprises af the meet was saphamare Bab Hammand, wha gave indicatians af becaming an autstanding track star far the Eagles. Bab placed third.

During the league meets the team made paar shawings by lasing ta S.I., Lawell, Paly, and Balbaa. They did manage ta beat Galilea and Missian. The Lincaln meet was rained aut.

Track Season

The Washington High Varsity started aff the seasan with a two-paint lass to Balboa. Even though they lost, Gaynell McPherson led the attack with three victories: the 120-yard high hurdles, 180-yard low hurdles, and broad jump. The 130's predominated by a score af 61⅓ ta 33⅔, taking seven firsts aut af a passible 11. The 120's fallowed right along with a victory of 44 ta 24.

In the Galilea meet the Varsity literally ran through the small Galilea squad by a score of 108 to 5. The 130's prevailed by a score of 79 to 19 behind James Thomas' 6'1" high jump effort, which breaks the City recard. In the 120 division the Eaglets again prevailed, taking seven out of eight firsts to win 63 ta 5.

The next meet was against heavily favored Poly. We lost this meet by a two-paint margin of 55½ to 57½. Sophomore "Lefty" Gardon kept us in the running with victories in the 100 and 220. The powerful 130's easily overwhelmed the highly rated Parrots for an easy victory. Paced by Vic Takeshita, Gardon Wong, and Zealaus Wiley, wha set best times in the 660, 1:30.8; 100-yd. dash, 10:08; and shot put 49'8" respectively, the Eaglets swamped the Parakeets.

The faurth meet of the season was against a weak Missian team with the Varsity coming out on top 81 to 32, the 130's 85½ to 9½, the 120's 56⅔ to 2⅓.

Lincaln was the meet of the seasan for the Varsity. There were many come-through vactaries, the biggest ane in the 100-yd. dash when "Cadillac" Car leaned into the tape ta beat aut Lincoln's runner in a time of 10:2. The result: Washington 58, Lincoln 55.

The St. Ignatius meet turned out to be the disappointment of the season. The Wildcats came from behind ta pull a ane point upset; this lass was due mastly to a dropped baton in the 1320 relay. The Eagles lost 56-57. The 130's triumphed 74 to 17. Shepard ran the 70-yard high hurdles 9.2, six-tenths af a second faster than the City record. The 120's traunced the Wildcats, 59 to 9.

The Varsity finished aut the season with a clear victary aver Lawell by a scare of 89⅓ to 23⅔. The 130's and 120's finished unbeaten. The 130's trounced the Indians 71 ta 24, and the 120's, led by Hamilton's 5'10" high jump, tapped the Indians 41 to 27.

Outstanding Trackmen

Press time allowed us to bring you only the final results of the All-City Track Meet. The Varsity ended up lower than what was expected as they came in third behind Poly and S. I. The Lightweights took the City Championships for the seventh straight year.

Tennis Season

Tennis, although one of the minor spring sports, is very important at Washington. The tennis team works under the supervision of Mr. Reade and plays at Golden Gate Tennis Courts. This year we have an exceptionally strong team, the best Washington has ever had. There are 26 men out for the team, an even better turnout than Lowell, for it has long been the custom for anyone who wants to play tennis to go to Lowell; now it looks as though the status quo has been upset.

Although it was necessary to go to press before the end of the season, the results are pretty well predicted. At the time of this writing the Eagles had won their first four matches with only one remaining against Balboa, a weak team, before they were to play Lowell. The Eagles had a better than even chance to prevail against Lowell.

The team is marked by one outstanding personality, George Ponitkoff, who has the makings of a great tennis player. George is number one in the city and will probably continue to improve after leaving high school. Light, fast and fazy on the courts, he makes it a pleasure for anyone to watch him.

Baseball

The Spring '55 varsity baseball team got off to a good start by downing Lowell for the second straight year. The game was a hard fought contest with the Lowell Indians giving the Eagles a good scare in the last inning when they started a rally only to be put out leaving the bases loaded.

The second game to be played was with Sacred Heart. The team was really counting on knocking off the league leaders but they disappointed with a loss. It was a close game all the way until the fifth inning when Sacred Heart scored its only two earned runs on a triple by the S. H. centerfielder.

The Eagles went into the third game of the A.A.A. league determined to overpower the Lincoln Mustangs ond that's just what they did. The Eagles had a five run lead until the fatal fifth when Lincoln started a long rally, in which they tallied seven runs. The Eagles then fought back harder than ever and scored four more runs which proved to be too much for the Links.

The fourth game was with a strong Balboa team which held the Eagles scoreless. Daryl Hadley pitched one of his best games allowing only three hits but walking six men. The team made four very costly errors which Balboa took advantage of to score their runs. The Eagles, who had been previously playing practically errorless ball, had their bad day.

In the fifth game the Eagles were again held scoreless, this time by the Galileo Lions. The game was a last inning thriller in which Galileo scored their runs. Rich Raven pitched a no-hitter for six innings but the seventh proved fatal when the Eagles got in hot water with a couple of errors, walks and hits.

The next game on the schedule was with St. Ignatius. This was one of the best games of the season in which the Eagles almost upset the high flying Wildcats. The team took advantage of an S. I. error with two out in the first inning to score a run which was the lead until the fourth inning. In the fourth, the Wildcats scored their only runs on an error, two walks, and a couple of singles. The Eagles fought back with another run but failed to get the tying run across.

Swimming

This year, the Eagle Swimming Team held up to its past years' record. The team did well in their practice meets out-of-town. The varsity wan 10 out of 16, the 130's 13 out of 16, and the 120's won 7 and lost 9. The meets that the Eagles lost were close, even though the team wasn't at full strength at any of them.

The Eagles opened the regular season at Fleischhacker's meeting a weak Mission team. The Bears wan only ane first place. The Eagles splashed to a victary, 62 to 9 in the varsity, 52 to 3 in the 130's and 52 to 1 in the 120's.

The next meet against Lincoln was a different story. Lincaln had the strongest team in the city. It was a hard meet and the Eagles last the varsity 23 to 52. We came back strong in the 130's and 120's, winning 44 to 12 and 45 ta 12, respectively.

The third league meet was against S. I. The Eagles swam hard and edged the Cats 40 to 35. The 130's and 120's came thraugh again winning 47 to 9 and 45 to 12, respectively.

The next meet against Balboa was the last meet befare the Surveyor went to press. The Eagles won easily in all divisions. The varsity won 62 to 12, the 130's 52 ta 2 and the 120's 50 to 4.

Mr. Adane, the Eagle swimming caach, had hopes for the 130's and 120's winning their titles, as they have praved to be the best fram the beginning of the season. The 130's faur-man 100-yd. freestyle relay team (Limneas, Lupa, Fang, Smith), came close ta the Northern Califarnia record. The Surveyar went ta press before all of the league meets were over, but the varsity shauld take second ar third in the All-City meet.

The Girls' Athletic Association

The Girls' Athletic Association had a very successful year led by Presidents Jo Lewis (fall) and Carol Thompson (spring). Mrs. Brillhart was the sponsor. The membership for the 1954 fall semester was nearly 600 and the sign up for spring was over 700, the largest in Washington's GAA history.

The GAA is one of Washington's largest organizations and it is still increasing. This spring another section of tennis had to be added to accommodate the demand. There were 11 sport sections this term: bowling, volleyball, tennis, swimming, badminton, basketball, and ice skating.

Awards are given on a basis of attendance and participation. They are given to girls with no more than three absences at the completion of the term of GAA. The first award that may be won is a numeral; the second is a chevron; then a circle "W" is awarded; the fourth award is the Block "W" which entitles the holder to membership in the Black "W" society; a star is the fifth award; and after six terms of GAA membership the girl is awarded a beautiful gold "W."

Successful playdays with nearly all other San Francisco high schools and even the University of California, rallies, and a feeling of "participating" all have come about through the efforts of hard working officers and active members. Competition is always high and in any sport, there will always be sophomores, juniors, and seniors playing together. The GAA is an extremely successful organization which provides fun and enjoyment for all girls who are interested in sports.

DEE NOODLMAN
Editor

Work on the yearbook actually begins early in the Fall semester, but the annual doesn't make its appearance until June. Fun and hard work go hand in hand in putting all ideas for the new book into a dummy. Then layouts are pasted up for every page. The high seniors, student body officers, class officers, clubs, and all organizations have their pictures taken, forming another step in Surveyor production. Now the book begins to take shape. A cover is designed; something new and hoped to be appealing to all. Many hours, days, months go into making your Surveyor a book you'll be proud to own and never forget.

This year's Surveyor was originated by Editor Dee Noodlman, and made possible by the hard work of the editors-in-chief and the staff members, who really worked amazingly hard, with the hope that it will be enjoyed by the entire student body.

Scenes from the Fall Term Play, "The Late Christopher Bean"

Fall Term Play

In the Fall term of 1954, the Masquers presented a comedy by Sidney Howard entitled "The Late Christopher Bean." This play deals with the problems of a small town family which suddenly discovers that a great art collection is in their possession.

Out of the kindness of his heart, Dr. Haggett had taken in a tubercular artist, Christopher Bean, and cared for him until his death. Chris left nothing but debts and several paintings. Some time later, the paintings became valuable and the family greedily begins to search for them. The canvases had been used for purposes such as roofing the chicken house and plugging leaks in the attic. For some reason, the paintings cannot be found, so Dr. Haggett centers his attention upon Abby, the household maid, who possesses a portrait of herself painted by Chris because she was kind to him. Haggett tries everything to get the portrait from wheedling to outright threatening by telling her that everything in the house belongs to him. Abby, though, refuses to give it up, and Mrs. Haggett reveals that she had burned the other canvases because "they were cluttering up the place." When all seems lost, Abby admits that she had taken the paintings off the bonfire and kept them, but she shocks them by adding that she had married Chris Bean, and, therefore, the paintings legally belong to her.

Student directors and scenes from the Spring Term Play, "A Kiss for Cinderella."

Spring Term Play

"A Kiss for Cinderella," a delightful fantasy by Sir James M. Barrie, was the Spring 1955 term play. This English play concerns a cockney maid, who believes she is truly Cinderella, for she has tiny feet and therefore wishes to own glass slippers. She works for an artist, Mr. Bodie, from whom she mysteriously takes wood found in his studio. She secretly makes this wood into boxes for three war orphans that she keeps in back of her "penny shop"—she will do any type of work for a penny. In the midst of her wood gathering, she meets and is questioned by David, "a big, ridiculous policeman," who later finds her in the streets suffering from bitter cold and pneumonia. He takes her to a London hospital, and she is sent from there to Mr. Bodie's doctor sister. While Cinderella is at Dr. Bodie's Convalescent Home, she realizes that she is not the real Cinderella, but she still gets her glass slippers and her David.

One charming scene in the play is a dream sequence, in which Cinderella imagines a beautiful ball given by the King and Queen in order to find a wife for Prince Hard-to-Please, who is really David. The guests are served a grand feast consisting of a paper bag with sandwiches, cookies, and an apple or banana. Of course, Cinderella turns out to be the chosen one for the prince.

Reserve Officers Training Corps

One week after school started in September the Football Pageant was held in which the 14-man Drill Team participated and taok secand place honors.

On October 17 the entire Battalian took part in the annual Columbus Day Parade. Washington won the first-prize traphy far the best drill team.

Toward the end of the Fall term, the Awards and Decoratians Ceremony was held for the cadets who earned awards thraughout the term. Medals were given for rifle markmanship, best cadet, best squad, best platoon, and best company, and Joseph Ramo was given command of the Battalion for the Spring term.

The St. Patrick's Day Parade was the next big performance far the R.O.T.C. Battalion. On that day the 30-man Drill Team under the command of Lt. Bob Gross marched on Market Street wearing green helmets while the Battalion was wearing other green decarations to add calar to the Parade.

Brig. Gen. Burbach, Chief of the Califarnia Military District, visited George Washington in March. Gen. Burbach, who had just taken over command at the time, said that the Battalion looked very goad and that the demonstratian put on by members of the Drill Team was excellent.

Federal inspection af the George Washington High Schaol R.O.T.C. Battalion was held on April 27. Major MacArthur, Captain Autrand, and two other officers inspected the Battalian after a formal review and parade was held in the marning. In the afternoon tests were given and the Drill Team commanded by Lt. Melton Chew performed for the officers and the Battalion. Major MacArthur said that the Washington Drill Team was the best that he had ever seen other than the Presidia Hanar Guard Drill Team.

Both Sgt. Hicks and Sgt. Quinby are to be congratulated an the fine work that they have done throughout the year with the Battalion. This is the last term that Sgt. Hicks will be at Washington.

Activities and Organizations

At George Washington the activities and organizations are one of the most important features of the student body program. Without a doubt it is the students' active participation in these activities which contributes to the school's excellent reputation and high feeling of school spirit.

Some of the school's hard-working organizations include the Scarlet and Gray whose hard work was rewarded with a picnic and outing, the G.A.A. which has become so popular with Washington girls that another section had to be opened for the Spring term, the Rally Committee which has gone "all-out" to put on the traditionally great rallies, the General Dance Committee which really outdid themselves with their successful and well-attended dances, and of course the S.S.P.C. which is responsible for the dance decorations, hall posters and stage scenery.

Then, too, no report on school activities would be complete without mentioning the hard working broadcasting staff which sees to it that every student gets in on school news and events, the game ticket and dance bid sellers who energetically see that school events are always well-attended, and the drama class which somehow manages every term to put on a term play that is bigger and better than the last.

Also going strong are the various after-school clubs: the IDG which attended an United Nations conference at the University of California campus this spring, the C.S.F. whose high ideals keep up the school's high scholastic standing, the Science Club—many of whose members participate in the Bay Area's Annual Science Fair, and the Jr. Red Cross whose service projects are an annual success.

Without a doubt it is these activities and organizations and the student's interested participation in them which keeps this school at the top in spirit, events, and accomplishments.
